Special Skills

Wedding Planner/Business Owner of **Rachel Bradley Events**. (1997-2015)

Have survived over 500 weddings, kept a straight face while my bride peed on the floor at church, picked the teeth of the mother of the bride, made bouquets out of funeral flowers, hired elephants, camels and horses, protected George Lucas from a drunk, lascivious crasher, cried every time I saw my bride in her dress for the first time while rolling my eyes on the inside.

Donald Duck Voice.
