Passionate about speed-stacking and has competed in speed-stacking tournaments including the Junior Olympics 2019 where Vikram was in the top ten merit list earning 4 Junior Olympic medals in the 8 and under age category from IL state.

Vikram is also an intermediate team member of Windy City Synchro swim team that is the only synchro swim team in Chicago and regularly participates in swim competitions and swim-meets. He received his first medal in the 2019 IL Association Meet that hosts synchronized swim competitions in the Midwest.

Vikram has also been featured in a children's book "Lets Meet Chicago Real Kids in the Windy City" a unique book that highlights different neighborhoods, languages, customs, hobbies, religions, living arrangements and much more through the words of a diverse group of children. Vikram was chosen as one of the real kids living in Chicago representing this diverse culture of the city.

Vikram is in third grade and loves school and his favorite subjects include Math, Geography, Science and Drama. He loves travelling with his parents and learning about new cultures and flags of the world.
